the order is made.

"It's important to have fresh food," Mehan said. "If a customer does not like their food, they can give it back free of charge. I will work according to the customer."

Mehan said he intends to be personable with the customers to maintain a good relationship with them.

"My goal is to make sure that ev-

ery customer who eats here is satisfied with their meal," Mehan said. "I will walk around to every table to talk with the customers to see if everyone is enjoying their time at the restaurant. I want them to continue coming back again and again and feel like they are at home."
